

## GETTING STARTED WITH THE DIGITAL LIBRARY

## Tips That Will Save You Time—by Teachers for Teachers

Find the instructional resources you've been looking for quickly and easily in the Digital Library! Whether you're new to the Digital Library or just want a refresher, you're invited to join Digital Library experts from **Smarter Balanced** and **The National Network of State Teachers of the Year** as they guide participants through using this free resource for improving teaching and learning.

## ABOUT THE WEBINAR

## Participants will learn how to...

- ▶ Access and navigate the features of the Digital Library
- ▶ Locate Digital Library resources to support your teaching practice
- ▶ Utilize professional learning resources in the Digital Library to use individually or with colleagues in a professional learning community
- ▶ Interact with other members on the Digital Library site
